PROJECT DEVELOPMENTDELIVERY OF
SPRINT - 2

Date	17 November 2022
Team ID	PNT2022TMID3893
Project Name	IoT Based Safety Gadget for Child Safety Monitoring & Notification

NOTIFICATION:

This coding will make connection between IoT Device & Parent's application.When the child cross across the geofence message will be notified on parent's application.

CODING:

```
#include<WiFi.h>//library        for        wifi
#include<PubSubClient.h>//library          for
MQTT
